

# PRICE LIST

## Tacoma Cat Hospital

1035 Regents Blvd  
Fircrest, WA 98466  
473-CATS (2287)

### EXAMS

Regular Office Examination.....\$47.00

### VACCINES

FVRCP.....\$14.50

Leukemia.....\$21.00

Rabies.....\$15.00

Examination fees are not built into vaccine rates; you pay only for the vaccination.

Tacoma Cat Hospital recommends that any cat going outside or who will be coming into contact with outdoor cats be vaccinated against Feline Leukemia (FeLV). We advise performing a Leukemia test before vaccination.

Leukemia Test.....\$29.80

Leukemia/FIV Test.....\$41.25

### SURGICAL PROCEDURES

Each package includes pre-surgical exam, anesthesia, surgery, FVRCP vaccine, Feline Leukemia vaccine, Rabies vaccine and de-worming for roundworms.

Spay Package.....\$151.00

Neuter Package.....\$118.00

If the patient has had a physical examination by a veterinarian in the previous six months, and all vaccinations, the costs for the surgery and anesthesia only would be:

Spay.....\$78.00

Neuter.....\$45.00

### FLEA TREATMENT/MEDICATIONS
